
Contemporary Economics Howard Sutton Praeger Publishers

socio-economic status and child behaviour: evidence from a ... - iii editorial note carol propper is a professor of economics in the department of economics and the centre for market and public organisation (cmpp). **economics: a very short introduction - iklimb** - preface writing an introduction to economics is both easy and hard. it's easy because in one way or another we are all economists. no one, for example, has to explain to us what prices are - we face them **emotional intelligence: issues in paradigm building** - consortium for research on emotional intelligence in organizations ei and paradigm building 1 (eiconsortium) emotional intelligence: issues in paradigm building **a brief history of data visualization** - domains, that gave rise to the many branches we see today, are often not well known, and have never been assembled in a single garden, to be studied or admired.
